WESTERN INDUSTRIAL MACHINE REPAIR INC. PRE-INSTALLATION AGREEMENT

In order to install your machine *Western* needs you to read and sign the following page and fax it to (650) 286-0441. If you have any questions please call (800) 645-6444.

CUSTOMER'S RESPONSIBILITIES

1. Confirm that machine has arrived.
2. Confirm proper electrical voltage and amperage is available.
3. Confirm an electrical disconnect has been installed near the machine and the appropriate power cord installed for the machine. If *Western* has to install the electrical – the customer will be charged.
4. Glue, blades or any necessary supplies to run the machine are on hand.
5. Provide any needed cleaning supplies.
6. Air supply, if needed.
7. Dust extraction unit ready to be hooked to the machine, if needed.
8. Proper space required for installation of machine and no floor expansion joints under machine mounting points.
9. Forklift, if needed.
10. All persons needing training to be present – If the operators are not English speaking, it is the customer responsibility to provide translation.
11. Provide any materials needed for machine set up and test runs.
12. Uncrate and clean cosmoline off machine; all machines except Vertical Panel Saws.
13. Customer will be responsible for any costs or lost time required to wire dust collector to the unit being installed – (California Fire Code, Mechanics Rule 76)

Western reserves the right to reschedule and bill the customer for any time lost if any of the above has not been provided.

WESTERN'S RESPONSIBILITIES

1. Installation and set up of machine.
2. Provide the best customer service.
3. Provide all necessary training on use and maintenance of the machine.
